

Penn State Centrally Supported/Licensed

- Canvas (groups/discussions/collaborations)
- Sites@psu (Wordpress blogs)
- Viva Engage
- Zoom (Video conferencing and recording; online office hours)
- Media Commons (one button studios)
- TopHat: <https://www.it.psu.edu/services/top-hat/>
- Press Books (OER publication platform): <https://psu.pb.unizin.org>
- OER at PSU: <http://oer.psu.edu>
- Mendeley (Reference Manager): <https://guides.libraries.psu.edu/mendeley>
- LinkedIn Learning: <https://linkedinlearning.psu.edu/>
- Qualtrics
- Turnitin
- Kaltura (media streaming, storage, and video recording and interactive quizzing): <https://psu.mediaspace.kaltura.com>
- Microsoft Office365 Suite: <https://office365.psu.edu>
- G-Suite for Education (Google): <https://google.psu.edu/>
- Adobe: <https://adobe.psu.edu/>

Not PSU centrally supported, but a tool worth considering (with reasonable tutorial support online)

- NearPod (interactive presentation- can be used synchronously or asynchronously): <https://nearpod.com>
- Visible Body (can integrate with Canvas; <https://www.visiblebody.com/>)
- PhET (simulations for chemistry, bio, physics); <https://phet.colorado.edu/>)
- Blendspace (create digital lessons): <https://www.tes.com/lessons>
- Diigo (a tool for collaboratively commenting on PDFs): <https://www.diigo.com>
- Perrla (Trial version available but is a subscription software; paper formatting-APA, MLA,etc... and integrates with MS Word): <https://www.perrla.com>
- Edpuzzle (Interactive video): <https://edpuzzle.com>
- H5P (some folks at TLT are using this in PressBooks, and it is being used in other places at PSU, so there may be a little support for it): h5p.org
- Poll Everywhere: (Live interactive audience participation): <https://www.polleverywhere.com>
- Padlet
- Mentimeter

Other Penn State Resources

- PSU Approved Courseware: courseware.psu.edu
- Penn State EdTech Advisor: sites.psu.edu/eta
- Accessibility and Usability at Penn State: <http://accessibility.psu.edu/>
- Teaching and Learning with Technology: www.tlt.psu.edu
- Schreyer Institute for Teaching Excellence: www.schreyerinstitute.psu.edu
- Penn State IT Learning and Development: <http://itld.psu.edu>
- Penn State Information Technology: <http://it.psu.edu>
- User Experience in Canvas: www.sites.psu.edu/uxcanvas
- Canvas Learning Center (good information on creating discussions, quizzes, groups, etc.)
<https://psu.instructure.com/courses/1741795/modules>
- Penn State Libraries: <https://libraries.psu.edu>

Other Resources

- Khan Academy (can add this to Canvas)
- TED Talks
- NBC Learn
- PsychCentral: <https://psychcentral.com/>
- OER Commons: <https://www.oercommons.org>
